

### *Issues*

---

These are the issues I focus on in Congress:

**Agriculture** - Regardless of your job or where you live, agriculture matters to you. Agriculture puts food on our tables, clothes on our back, and the roof above our heads.

[Read More &gt;](#)

**Economy** - The American economy is facing very difficult times and we need to get the country moving.

[Read More &gt;](#)

**Education** - I am committed to making sure that every Kansas student has an opportunity to a

quality education.

**Energy** - The recent flux in energy prices posed significant challenges for Kansas. .

[Read More >](#)

**Family Values** - I have worked to support Kansas communities and families, as well as protect the values and traditions that we hold dear.

[Read More >](#)

**Health Care** - Health care has long been one of my top priorities in Congress.

[Read More >](#)

**Immigration** - The federal government has failed when it comes to immigration. Our immigration system is broken and in desperate need of being fixed.

[Read More >&nbsp;](#)

**Military Support** - A strong national defense is critical to the security of America's citizens. I strongly support our military personnel serving at home and abroad.

[Read More >](#)

**National Security** - Protecting America's citizens and industries at home against a bioterror attack is also a priority.

[Read More >](#)

**Transportation** - Building and maintaining a strong transportation infrastructure is vital to the economic development of Kansas.

[Read More >](#)

**Veterans** - As a senior member of the House Veterans Affairs Committee, improving the quality of life for our nation's veterans has been one of my top priorities.
